FOR PAVING OF SOUTH TEMPLE.

Council Authorizes Resolution Levying Assessment on Abutting Property.

FROM SEVENTH TO TENTH EAST.

Similar Work on West First South-Salt Palace Veto Referred Back To the Mayor.

The city council last night adopted a resolution by Councilman Hartenstein, authorizing the city attorney to draw up an ordinance levying an assessment upon the property on both sides of South Temple street for the paving of said street from Seventh East to Tenth East streets, and instructing the city engineer to furnish an estimate of the cost of the improvement, The board of public works submitted a communication suggesting that, as the work of cation suggesting that, as the work of paving to Seventh East street was nearly completed, it would be advisable to levy the assessment to Tenth East at once so the work can be completed this season. The board also recommended that the street be paved to Twelfth East but no action was taken on that matter. However, the passage of the Harienstein resolution, will insure the completion of the paving to Tenth East unless some hitch occurs in the matter.

the matter.

Hartenstein also introduced a resolufightenistein also introduced a resolu-tion, which was adopted, calling for estimates for the paving of First South street from West Temple to Third West street and authorizing the city record-er to advertise notice of intention to make the improvement.

FRANCHISE REFERRED.

A petition and an ordinance grant-ing a franchise to the Citizens' Heating and Power company to construct, maintain and operate a steam and hot water tain and operate a steam and not water power and heating plant in this city, was submitted and referred to the com-mittee on municipal laws and streets for consideration. The company agrees to give a bond of \$25,000 to protect the to give a bond of \$25,000 to protect the city in case of injury to any person caused by acts of the company and to increase its capital stock from \$2,500 to \$500,000 as soon as the franchise is granted. It also agrees to commence work within one year from the time the franchise is granted.

SALT PALACE VETO.

Mayor Morris submitted a veto of the report of the Heense committee giving Heath Bros. a blanket license for the Salt Palace provided they would move the fence on the west side of the resort the fence on the west side of the resort back off of the sidewalk to a distance three feet from the property line. There was considerable discussion over the matter as some of the councilmen contended that the only way to get the fence moved was to hold up their license until it is done. Some stated that the council had been trying to get the fence moved back for four years but nothing had been done yet. Fernstrom moved that the report be amended by cutting out all reference to the fence and granting the license. The amendment carried and the matter was referred back to the mayor again.

Fernstrom then moved that the city lease to Heath Bros. three feet of the sidewalk until Oct. 15 for the sum of sidewalk until Oct. 15 for the sum of

\$1. This motion was carried and the fence will be moved back to within three feet of the property line.

LIBRARY WANTS \$5,000. The board of directors of the free public library petitioned the council for an appropriation of \$5,000 to suitably furnish the new public library. President John D. Spencer of the board was given the privilege of the floor and stated that the board was a little late in sending in the petition as it will take \$0 days to get the furniture after it is ordered and that it was necessary to get the appropriation as seen as possible. the appropriation as soon as possible. Hartenstein moved that the appropriaion be made. Neuhausen moved as an amendment that the matter be referred to the committees on library and fibance. The amendment was carried.

LOS ANGELES ACKNOWLEDG-MENT,

The council received a communica-tion from Mayor Owen McAleer of Los Angeles thanking it for the invita-tion to visit Salt Lake and expressing regret that he was unable to accept the same. He also acknowledged receipt of the resolution of thanks extended by the council to the officials of Los An-

PETITIONS FOR FRANCHISE.

A petition was received from the regon Short Line Railroad company Oregon Short Line Railroad company asking for a franchise to construct a spur track from its main line on Third West between Eighth and Ninth South streets across certain streets in Geneva and Fountain Place subdivisions so as to connect with the San Pedro, Los Angeles and Sait Lake Railroad.

The same company and the D. J. Sharp Coal company asked for a franchise to construct a spur track into the new coal yards on Third West street. Both petitions were referred to the committees on municipal laws and

The San Pedro, Los Anglees and Sait Lake Raliroad company submitted a petition asking for a franchise to construct its tracks across certain construct its tracks across certain streets in the southwestern part of the city to connect with the Short Line tracks and thus gain access to the new terminal facilities of the latter road. The matter was referred to the committees on municipal laws and streets.

MARKET STREET PAVING. Ordinances were passed confirming the assessment on the property on both sides of Market street for paving the same and for the construction of ce-

WATCHMAN FOR SUMP.

Tuddenham's resolution, providing for the employment of a watchman at the sump and washout in Emigration canyon, was finally adopted after being defeated once and then reconsidered. It provided that the superintendent of waterworks should employ the man at \$50 per month. Before being passed it was amended so that the superintendent of irrigation should employ the man at a sulary of \$12 per month, it being understood that a man residing in the canyon had agreed to take the job at that price.

City Auditor Felt submitted the department payrolls for the first half of June amounting to \$12.647.85, which were regularly referred for approval. President Hewlett announced that a test of the new fire engine would be made on the west side of the City and County building on Wedensday afterneon at 2 o'clock, and that Chief Bywater desired the city officials and councilmen to witness it. Three Physicians Treated Him With-

out Success. out Success.

W. L. Yancy, Paducah, Ky., writes: "I had a severe case of kidney disease and three of the best physicians in Kentucky treated me without success. I then took Foley's Kidney Cure. The first bottle gave immediate relief, and three bottles cured me permanently. I gladly recommend this wenderful remedy." For sale by F. J. Hill Drug Co.

DECLARED A DRAW.

Cutting Scrape Over Ball Game Sc Decided by a Jury.

William Kendall and Sidney Weed, two boys aged 12 and 14 years respectively, were given a trial by a jury of their peers in the juvenile court yesterday, the jurors in the case being five boys of about the same age as the belligerents. From the facts gleaned at the trial, Kendall and Weed became engaged in a quarrel last Saturday over a game of ball. They soon came to blows and Kendall was getting the worst of it when he pulled out his pocket knife and inflicted five scalp wounds and a cut in the left arm of the Weed boy.

The two boys were brought into court yesterday, together with their parents, and five boys were called as jurors. They listened to the evidence and retired to consider their verdict. After tively, were given a trial by a jury of

tired to consider their verdict, about 15 minutes they returne about 15 minutes they returned into court and reported that in their opinion both boys were at fault but that the Kendall boy's action was more serious than that of Weed, Judge Brown the lectured both boys, Mr. Kendall gaven bury serious the jurors enough money to buy young Weed a new hat, the belligerents, after

ORPHEUM "SIGNED UP."

Deal Which Clinches Matters Reg arding New Salt Lake Theater.

All doubts regarding the future of the Orpheum theater were set at rest this morning on receipt of a telegram from Treasurer Garrett of the Orpheus Vaudeville company to the directors

here which read:
"Everything all right with the Orpheum signed up O. K."
Mr. Garrett and Atty, Snow left this city last Wednesday night for Chica-go where they were bound to complete arrangements for putting the new State street theater on the regular Orstate street theater on the regular Orpheum circuit with the same shows that are such features in Chicago, New Orleans, Minneapolis, Denver, Los Angeles, San Francisco and other large cities of the United States. Two trips had been made previously by representatives of the company but no dentity contract had been entered in definite contract had been entered in-

to until yesterday. The two gentlemen are expected to return home on Thursday when fur-ther details will undoubtedly be forth-

In speaking of the new theater which is to be erected on the corner of State is to be erected on the corner of State street and Commercial avenue, Mr, Alvin Beesley this morning said: "Under forfeit the big foundation is to be completed by next Monday, when the brick work will be rushed so as to have the theater opened by the latter part of September for the season of next year. The building will be a three story modern structure that will be a chredit to State street. It will have a frontage of 76 feet and will go back 150 feet, making one of the largest theaters in Utah. The frontage of the building will be divided up into stores leaving a spacious entrance two the building will be divided up into stores leaving a spacious entrance two stories in height in the center. In every city in which the Orpheum circuit shows the houses are packed at every performance and this state of affairs will undoubtedly hold good here. The theater will be open every night in the year and the same bill that is put on in the big cities will be the feature here. Just as soon as the foundation is finished the contractors announce that they will put on as many men as it is possible to get in order to rush the building to get in order to rush the building to

ONE HIGH SCHOOL FOR NEXT YEAR.

That Was Decided at a Meeting Of the School Board Last Night.

WILL BE ON THE WEST SIDE.

A Strong Central School Was Contended for-Free Kindergarten Question Postponed - Fire Escapes Needed.

At the meeting of the board of education last night it was decided that for next year there shall be only one High school, and that this shall be located on the premises of the present West Side school, under Principal George A. Eaton. The present East Side school. with its two-year course, will be abandened, and the school building in which it is 'ocated will be used for grammar school work. Should occasion arise demanding more high school space than the West Side premises afford, a new building will be provided at a centrally located position in the eastern part of the city, according to the statements made by several members of the board in voting for consolidation.

A proposal to transfer the commercial course from the West Side to the East Side school, which was recommended by the committee on teachers and

by the committee on teachers school work was lost on a tie vote

MATTER MUCH DISCUSSED. The meeting of the board consumed several hours. Those present were W. J. Newman, Mat. Thomas, Joseph Orberndorfer, Byron Cummings, C. S. Martin and H. P. Henderson. In the absence of President Moyle, Mr. Henderson acted as chairman. The debate on the question was lengthy and transfer of the control of th on the question was lengthy and brought out a great variety of opinion. The final vote stood four for consolidation to two against, those voting "aye" being Newman, Thomas, Orberndorfer, Henderson, and "nay" Cummings and

Martin.

Martin.

The subsequent motion to move the commercial course to the East Sidepremises was defeated, Newman, Orberndorfer and Henderson Voting "aye," and Cummings, Martin and Thomas voting "nay."

In the debate Thomas and Henderson voted for the West Side proposition, explaining that the present school on the east side was not centrally located, and would not be a good investment as a four-year proposition. Should occasion arise for an east side school they promised to favor it, but on another site.

STRONG CENTRAL SCHOOL

Principal Eaton spoke on invitation, favoring a strong central high school, but urging that the commercial course go to the east side building. Prof. Cumnings explained that this would not overcome the objection to maintaining two high schools, as the east side institution would still be maintained as a commercial school.

OTHER MATTERS. In the matter of the free kindergar-ten, which contemplates making further preparations for accommodating free pupils, action was postponed. A. G. Giauque submitted a request to be relieved from the chairmanship of

and committee buildings grounds, urging press of business as a

FIRE ESCAPES NEEDED. A notification was received from Chief Bywater of the fire department calling attention to the city ordinance, and stating that unless certain buildings were provided with fire escapes he could not allow them to open next September. This communication was referred to the committee on buildings and

A WORKING BRAIN

Can be Made Successful on Right Food

A busy man in one of America's largest watch factories tells how by change of food he gained a clear brain and ateady nerves and averted a mental and physical breakdown. He says:

"I was accustomed all my life to the ordinary diet of the average table. I thought that meat, potatoes and other vegetables and fruit were necessary, and that tea, coffee and pastry in moderate quantities were not injurious.

and that tea, coffee and pastry in moderate quantities were not injurious.

"But I found, in course of time, that my dietary was affecting my health seriously. For four years I continued to run down. In time my nerves became seriously affected, they seemed constantly keyed up to the highest tension, and I became subject to the most violent billious attacks which used to leave the in a year and nervous condition. me in a weak and nervous condition for several days. The climax seemed to have been reached a few years ago, when I found myself about as near a physical wreck as a man could well be, and live. Physicians, tonic and other medicines, visits to the country, etc.,

c., were of no avail.
"In sheer desperation I concluded, few months ago, to see what effect a diet of Grape-Nuts food would have. I had often heard of it, but had little hope it would help me. I at once cut out all the heavy dishes with the tea and coffee that I had always used and began to eat Grape-Nuts with cream and a pinch of sait. Afterwards, I add-ed fruit, with occasionally an egg beaten up in milk, and entire wheat bread. This has been practically my

diet for more than two months.

"I found that with the new diet I gs:ned complete relief almost immediately from all the distress that used to follow every meal, my bilious condition was speedily regulated and cured, my nerves have grown healthy and steady nerves have grown healthy and steady
-in short my run down constitution
has been reconstructed and built up.
As to the effect upon my mental powers, I have only to point to the fact
that I have recently been placed in a
responsible position in our establishment where complete concentration of
mind is required to deal with compilcated records and resorts and that cated records and reports, and that I have been enabled to keep my accounts absolutely correct, which my numerous predecessors uniformly fail-

'I think these things speak volumes "I think these things speak volumes in favor of Grape-Nuts food as a nerve and brain builder. I ascribe all my improvement, mental and physical, to the fact that I am possessed of steadler nerves, a clearer brain, a fine appetite, and have gained healthily in weight, to the cutting out of heavy feed and the systematic use of Grape-Nuts food."
